AMPLIFY MEDIA

How to Watch a Video in Amplify

First you have to create an Amplify account.

Click on the link below or enter it in your browser:
https://my.amplifymedia.com/universityumcchapelhillnc

Click on the button that says "Click here to enter your code."

Enter the following access code:
ZXCWVG

Click the "Verify" button.

Fill in the blanks for your account information and then click "Start a Free Membership."

You will then be logged in.

Use the search tool to find the video you wish to watch:
        On desktop/tablet browser, search is the magnifying glass icon
        On your phone's browser, search appears when you click on the 3 bars
near the word UNIVERSITYUMC

After you create an account, you can watch videos by signing in through your browser or by signing in through the Amplify app.
The app is called Amplify Media by Katapy. You **must** create an account before trying to sign in through the app.

If you have any problems creating an account,
please contact Alice Anderson (aanderson@universityumc.church).
